

RE: Change room protocols:

Change rooms will have limited use. Any student in a change room is expected to be wearing a mask.

The change rooms are not available for team use except for the following times:

Morning volleyball practices:

Students are expected to arrive changed ready for practice (except for shoes). They will be able to use the change room to change at the end of practice before school and need to be out of the change room by 8:20am .

After school:

Only the first practice time slot can use the change room:

Boys Soccer: 2:55-3:05pm (using only the back door to the hallway).

Boys Volleyball: 3:10-3:20pm (using only the gym door entrance).

Girls Volleyball: 2:55-3:20pm (using only the gym door entrance).

Any practices after the 1st time slot will not have access to changing in the change room, so students will need to arrive at the school already changed.
